DETAILED ACTION

Allowable Subject Matter

Claims 1-43 are allowed.

The following is an examiner's statement of reasons for allowance:

Claims 1, 10, 19 and 29 recite a specific database and a basic method of retrieving the data. The database includes identifiers for a plurality of states, jurisdictions and tax district. Each of these fields has a tax rule template and a tax year identifier. The www.oklahomacounty.org reference shows a very localized database, but does not include state or jurisdiction identifiers. The Hough reference and other databases, such as Lexus-Nexus, have nationwide information, but lack the details of the claim language. The examiner has searched and has not found a proper teaching reference to teach that it would be obvious to expand the www.oklahomacounty.org to a nationwide system or to make a national database more detailed. During the search, it could be seen that scalability of the claimed database was a difficult and non-obvious step. Claims 2-9, 11-18, 20-28 and 30-43 are dependent upon claims 1, 10, 19 and 29.

Titus shows a NPL reference of interest.

Hitachi shows a foreign reference of interest.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
